

**Battery Powered Mirror
Ball Motor
153.106UK**

GENERAL SAFETY RECOMMENDATIONS:

- 1) This light effect contains a modern halogen lamp of a high light intensity. Do not look directly into the lamp as this may seriously damage your eyes.
- 2) This unit is for indoor use only.
- 3) Warning this light effect gets VERY HOT so place in a well ventilated area , keep away from flammable materials. And after use leave the unit to stand for around 5-10 minutes while it cools.
- 4) If the unit has not been used for a longer period of time, condensation can occur inside the housing. Please let the unit reach room temperature prior to use
- 5) This unit has no serviceable parts so do not open the unit for any reason.
- 6) If the plug and/or mains lead are damaged, they need to be repaired by a qualified technician.
- 7) Keep out of the reach of children.
