

# 4-in-1 Portable Multi Memory Card Reader

This USB card reader expands the USB port on your PC into 4 Card reader for card reading and writing at super speed up to 5Gbps. It could read and write on 4 cards simultaneously to keep you away from the hassle of constant unplugging and re-plugging.

## Features

- 4-in-1 memory card reader allows data sync from all the ports simultaneously.
- Save your time with fast data transfer rates up to 5Gbps.
- Simply plug in the card reader into the USB port of your PC and experience fast data transfer.
- MiniReader-1's compact and ultra-slim design make it highly portable.
- MiniReader-1 is compatible with SDXC, SDHC, SD, CF, UDMA, MS, and micro SD/SDHC/SDXC.
