

Job Vacancy

The young team at Sound Division is looking for a new retail assistant / warehouse person to work at our Albany and Henderson Locations

This position requires flexibility to work weekdays, as well as Saturdays when necessary. If you have experience in sales that's a plus, but if not, we will train you in product knowledge and give you the additional skills to be successful in your role.

Monday - Friday 9.00-5.30 with possible Saturday 10.00-5.00

We are seeking candidates with the following skills and attributes:

- A passion for customer service excellence
- Previous retail experience
- Friendly with a good smile
- Reliable with good time management skills
- Contribute and add value to the team by demonstrating a willing "can-do" attitude
- Support our young team

About you:

- You will be energetic and enthusiastic - a real "people" person
- You will be professionally presented, well-spoken and experienced in retail sales
- Show an understanding of procedures for handling customer inquiries
- Have enthusiasm for building morale, loyalty and pride in the store
- You will need to have a positive attitude, vibrant personality and a willingness to learn
- Actively promote the store through in-store merchandising and displays and other activities

What we can offer

- Training in Sound and Lighting
- A fun and exciting work environment
- Working in an exciting and growing business
- Good staff discounts
- Free onsite parking

If you have sales experience, love sound, lighting and electronics, like a fast pace and can connect with a wide range of people, you are just the person we are looking for. Apply now with your CV via email.

Applicants for this position should have NZ residency.
